If you're the gambling type, test your chances at the casino, or just do some shopping, wine tasting or people watching at a sidewalk cafe.

Grenoble boasts many excellent restaurants from Michelin rated to casual bistrot, there's something for every taste. Try the regional specialties, fondue, raclette, tartiflette along with lovely local wines.

Your bike will be waiting for you at the hotel, so you can relax. No need to go anywhere to pick it up or stress out about not getting there before closing time.

You won't find a better three days riding anywhere else.

Legendary mountain passes, spectacular gorges, hair raising balcony roads, classy accommodations & fantastic food.

Departure point is Grenoble, France, capital of the Alps. Your bike will be waiting for you at your hotel in Grenoble. Three full riding days jam packed with thrills from start to end.

In the evening you'll return to the same hotel. No need to worry about hauling your stuff, you can leave it in your room.

If your partner isn't up for riding with you, there's plenty to see and do in Grenoble. Then meet up in the evening for great dinners and discuss your adventures.

Day 2

On today's agenda, a few iconic mountain passes immortalized on the Tour de France. Whether you've heard of them or not, they will remain engraved into your memory.

375 thrilling kilometers of jaw dropping roads are beckoning. 6 top shelf roads, all in one day.

-Alpe d'Huez (1860m)

-Col du Glandon (1924m)

-Col de la Croix de Fer Iron Cross (2,067m)

-Telegraphe Pass (1,566m)

-Col du Galibier (2,642m)

-Lautaret Pass (2,058m)

Once back in Grenoble, get some well deserved rest and have a fantastic dinner. Maybe a stroll through the historic part of town or ride up the cable car to the Bastille and get some great evening views of the metropolis.

Day 3

If yesterday didn't blow your mind, today will. Scenery, curves, gorges, passes...Ride through the Vercors, home of French resistance fighters in WWII.

Balcony roads, tunnels, spectacular scenery...the Vercors hosted some of the Alpine events from the 1968 Winter Olympics.

The balcony roads in the Vercors are tight with little or no guardrail. Look at the rock overhangs and the sheer drop-off (but not for too long). Your pillion may get nervous in some sections.

Day 4

Take your pick of either riding the Chartreuse & Bauges mountain ranges or hit up the Devoluy mountain range.

Either way you can't go wrong. More great scenery, plenty of turns right up to the very end.

Just bring the bike back by 4:30 PM and you're good to go.
